LUMINA™

Lumina Lamb, crafted by a wildly ambitious group who embarked on a journey to breed the world's best and most succulent lamb. One that would offer unrivalled tenderness and texture, along with superior health attributes. A team whose commitment is captured in every cut. Lumina lambs are born and raised in the New Zealand hill and high country. Through rigorous standards and meticulous processes, Lumina lamb is 100% natural, free range, grass-fed and finished on specially cultivated chicory herb pastures. The meat itself is finely marbled and enriched with high levels of naturally occurring Omega-3 polyunsaturated fats. It is – quite simply – a game-changing experience for chefs and diners alike.

Merino roams freely in alpine meadows, foraging on native grasses and herbs such as golden tussock and wild mountain thyme. They live their life in harmony with the seasons, maturing slowly, naturally developing their characteristics. The alpine farmers who raise silere alpine origin merino are guardians of the one of the world's best-kept secrets. An animal of extraordinary character, tended by masters of their craft, raised naturally to create an extraordinary taste and experience.

Alliance group is leading farmer co-operative exporting lamb, beef, venison, and co-products to more than 65 countries. By putting farmers at the heart of everything we do, we understand what's important to our people our world class technology, meticulous production values, the highest levels of ethical production and adherence to environmental sustainability, all contribute to our reputation for food excellence.
